February 2018

### PRESIDENT'S CORNER

## The Clinic is Coming!

There probably isn't anything more painful than writing the President's remarks for a fishing club in the month of February. I have served as an officer in various fishing clubs over the years and I can tell you as the president of a bass fishing club in Indiana that writers block can be a bitch.

So, I sit here at my computer and reflect on the past and look forward to the future. I think about what I have gained as a member of the Fort Myers Beach Tarpon Hunters Club, the friendships I have made and the knowledge I've gained. It gives me comfort as I search for positive tarpon fishing news deliver to you. The positive news is that it is a new season. Heading over the Sanibel Causeway yesterday I noted that the water was beginning to return to its normal aqua green hue.

We do have some annual business to attend to at our next meeting. As you know our annual clinic rapidly approached and is scheduled for March 7<sup>th</sup>. In addition, I placed a new event on the schedule for February 25<sup>th</sup> the Fish Fry.

The Fish Fry is meant to be a casual event for our members and will be a pitch in style get together on the Sanibel Causeway. We'll plan this event at the meeting in hopes it may become an annual get together.

The focus of our meeting will be the clinic as we count on this event to be our introduction to new members. Matt has secured Rob Moody as our headline speaker and we will put together other speakers and volunteers at that time. Those absent from the meeting will be considered for lead roles in our program.

If you haven't already done so, please return your 2018 membership form. We have attached a copy of this form and a schedule with this newsletter.
